The Perfect Blend Of Luxury And Surprise...

A first glimpse of Sandy Lane is something you will not forget. The turquoise ocean sits beyond the marble lobby, beyond the arch of the veranda, silky and aqua, calm and magnificent. Sandy Lane is set in an ancient waterfront mahogany grove on the west coast of Barbados, famous for its pristine beaches. Coral sand and a lazy breeze follow you from the spacious balconies of each room, to the world-famous golf greens, to the superb restaurants, world-class spa, heavenly pools and bars within. Every day the always genuine and engaged staff magically crafts the authentic Barbadian experience.

Welcome to the Sandy Lane Family

From the moment we welcomed our first guests in 1961 and after a complete reconstruction in 2001, Sandy Lane has been considered the premier address in the Caribbean - a haven of tranquility, a luxury romantic retreat or the perfect location for families who desire the finest holiday experience with endless possibilities for recreation.

When you are staying in one of our luxury accommodations at Sandy Lane, it is like staying in the house of a special and hospitable friend; we believe passionately in making you feel at home while vacationing in Barbados. Our Barbados accommodations feature villas and suites that are so spacious and comfortable you will never want to leave.

We've come a long way since 1961 - but our values haven't changed. We still believe in warm Bajan hospitality. If you've stayed with us before, you'll know exactly what we mean.

From the entire Sandy Lane team, we look forward to welcoming you to our Pink Paradise soon.

Luxury Golf

Sandy Lane is a luxury golf resort that offers some of the best golf in the world, with three golf courses: The Old Nine, The Country Club and the world-renowned Green Monkey—a Tom Fazio creation carved from an old stone quarry which is exclusive to Sandy Lane guests. Wherever you play, you will be enchanted by the spectacular natural beauty of the terrain and the stunning views of Barbados' platinum coast.

Luxury Golf

The Green Monkey, designed by Tom Fazio, is an ultra-exclusive 72 par, 7,343-yard golf course. Carved from an old limestone quarry, the exposed rock faces form dramatic contrasts to the lush, rolling greens of the fairways and offer tremendous elevation change - a once in a lifetime experience that is simply not to be missed.
