# l'hôtel

Le Sereno is an intimate beachfront hotel and spa, combining simplicity, elegance, and five-star service in 37 suites and three spacious villas all overlooking the turquoise waters of the Caribbean.

Inspired by the unique style and energy of St Barth, renowned Parisian designer Christian Liaigre transformed Le Sereno into the most stylish and private sanctuary in St. Barth.

The background shows a sandy beach with several lounge chairs, a building with a thatched roof, and numerous palm trees under a clear sky. The overall scene conveys a sense of freedom and tropical luxury.
