## Arrive, with ease

Nestled in lush jungle on azure Atlantic waters, Sublime Samana feels far from the rest of the world. Yet it's within easy reach. The Dominican Republic is a two-hour flight from the States. Its international airport, El Catey, is a 30-minute drive from Sublime Samana, while Santo Domingo-Las Americas Airport, in the national capital, is just a 90-minute drive.

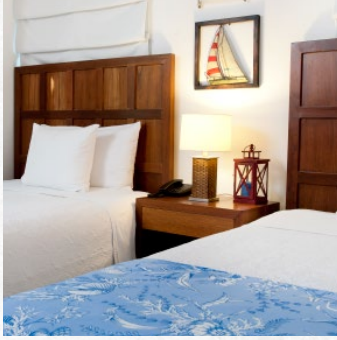

## Enjoy your place in paradise

Order a meal cooked in suite for you, relive the day's stories or enjoy a cold drink inside or out. Alluring from the outside, suites have interiors that welcome and soothe, thanks to airy layouts and decor in harmony with the tropical surroundings. Your private terrace overlooking Sublime Samana's stunning grounds and the water beyond is a perfect place to relax with friends, family or a romantic partner.

## Wind down, cozy up

Plush linens. Spacious standing showers. Luxury amenities by The White Company. The design and details of our living quarters allow guests to recharge effortlessly, in luxury. Enjoy a long bath, along with the softness of the sea breeze, in the privacy of your suite. You might even order champagne on ice and take in relaxing music as you unwind from your mid-morning hike.

## Relax, naturally

From its signature rain massage to its Robinson Crusoe-inspired design, the Sublime Spa is truly one-of-a-kind. Located on the stunning shoreline overlooking the ocean, it's the perfect place to immerse in the moment. Get a massage, facial, or body wrap in the singles or doubles cabins, or venture to the rain shower cabin for a purifying treatment straight out of nature's book. Afterwards you'll delight in sipping refreshing, chilled coconut milk directly from the coconut itself.

## Savor local flavors with world-class style

No matter how formal or casual you're feeling come mealtime, our dining options will match your mood and please your palate. Fresh fish caught locally is the specialty at Bistro, where Mediterranean cuisine with a Dominican twist is served in an elegant wood-paneled setting. You can also take lunch at the open-air Grill offering an extensive ceviche menu, wraps, burgers, and salads; cocktails or refreshing coconut juice can be ordered at the beachside bar.

## Live the adventure

Nearby sights and activities abound, making Sublime Samana an ideal hub for nature lovers and adventurers. By the hotel you can enjoy snorkeling, scuba diving, and sailing while the children enjoy art or nature discovery classes. Popular day trips include horseback riding to spectacular El Limón Falls, chartering a boat to witness majestic humpback whales off the coast, or exploring Los Haitises National Park. For a glimpse of local and expat life, explore the plazas, cafes, and restaurants of vibrant Las Terrenas.

## Picture your stay

Come see for yourself what this exclusive destination on one of the least discovered, most natural habitats of the Caribbean is about. We're tempted to say more about the excitement of exploring beautiful Hispaniola and the luxurious Sublime Samana Hotel & Residences. But then again, we don't want to spoil your fun.
