Yours as far as the eye can see

One&Only Le Saint Géran rises anew from a private peninsula of pristine white sand, surrounded by tropical palms and lapped by impossibly blue, tranquil seas. Our much-loved Dutch colonial-style architecture has been carefully restored and complemented with traditional Mauritian stonework, select pieces of local art, sublime modern design and idyllic spaces framing mesmerising views.

A landscape of flavours

The freshest ingredients are awakened in dramatic spaces framing majestic ocean views. For carnivores, we've reimagined Prime to evoke an industrial, ultra-modern aesthetic, while the spoils of authentic ovens, from tandoor to pizza, are savoured in the open-air pavilions of La Terrasse. Unique Japanese fusion tastes from Tapasake will delight all palates, and coconut embers infuse La Pointe's seafood with authentic Mauritian flavours.
